Church Charity for January to March

We're proud to be the oldest welfare charity around. We were the first to introduce a law to protect animals and work hard to ensure that all animals can live free from pain and suffering. Through [our campaigns](#) we raise standards of care, and awareness of issues, affecting animals today.

We rely on your support to help us push for changes in the law to improve [the welfare of animals](#) on farms, in labs, in the wild, in paddocks or our homes.

Through [investigations](#) and [prosecutions](#) we stand up to those who deliberately harm animals to send out a clear message - we will not tolerate animal abuse. Our highly trained officers tackle neglect and cruelty on every level working to stamp out animal cruelty a.

Animals can rely on us to [rescue](#) them when they need us most. To [rehabilitate](#) them wherever possible, provide them with the very best [veterinary care](#) and to find them new homes, either through [rehoming](#) or [release](#).

Pray for: the people of New South Wales, Australia who are struggling with severe weather conditions.
